

BUILDING PERMIT / PLOT PLAN APPLICATION

TOWN OF TILDEN – Jenni Sterling, Clerk
8244 CTY HWY S, Chippewa Falls, WI 54729
Phone 715-944-5113 Clerk@TownofTilden.com

This is an application only and is not an authorization to start construction. Applicant must file with the Building Inspector/Town Clerk/Town Official any necessary information with this application. All applications become the property of the Town of Tilden, and will be placed on file, by address, for future reference. This application will be reviewed by the appropriate Town Official & Tilden’s Licensed Building Inspector. If approved, it becomes a building permit after being signed by the appropriate Town Official and payment of associated fees.

These are the landowner’s responsibilities and may or may not apply to your project.

1. Always check your lot or Certified Survey Map (CSM) for easements as they must be honored.
2. Be sure of your lot lines.
3. Always check with the County and Town for requirements and permits.
4. If more than one (1) acre of land is disturbed, check with the DNR for a NR216 permit.
5. Chippewa County Zoning issues septic, well, flood plain, shoreland and 911 addressing permits. Shoreland is one thousand (1000) feet from a pond or lake and three hundred (300) feet from a stream or river.
6. Minimum lot size is one (1) acre.
7. No building permit will be issued for circumstances where the building and land are not owned by the same person (Personal Property for tax purposes.) unless it has been approved by the Town Board.

7) APPLICANT’S STATEMENT: I/we certify that the information provided on this form is complete and accurate and agree to comply with all applicable codes and ordinances of the Town of Tilden, Chippewa County, and the State of Wisconsin and any conditions attached hereto. It is further agreed that I/we hereby absolve and release the Town of Tilden, its agent or agents, from liability, if through the owner or his agent, an error is made in determining the property lines. It is further agreed that the Town of Tilden, its agent or agents, have no responsibility as to the determination of the property lines. I/we have also read the cautionary statement, below, to owners obtaining building permits.

Signature _____ **Date** _____

**CAUTIONARY STATEMENT TO OWNERS
OBTAINING BUILDING PERMITS**

101.65(1r) of the Wisconsin State Statutes requires municipalities that enforce the uniform dwelling code to provide an owner who applies for a building permit with a statement advising that: If the owner hires a contractor to perform work under the building permit and the contractor is not bonded or insured as required under s. 101.654(2)(a), the following consequences might occur:

- (a) The owner may be held liable for any bodily injury to or death of others or for any damage to the property of others that arises out of the work performed under the building permit or that is caused by any negligence by the contractor that occurs in connection with the work performed under the building permit.
- (b) The owner may not be able to collect from the contractor damages for any loss sustained by the owner because of a violation by the contractor of the one and two-family dwelling code or an ordinance enacted under sub.(1)(a), because of the bodily injury to or death of others or damage to the property of others that is caused by any negligence by the contractor that occurs in connection with the work performed under the building permit.

Definitions

Agricultural use - means any beekeeping, commercial feed lots, dairying, egg production, floriculture, fish, or fur farming, forest and game management, grazing, livestock raising, orchards, plant greenhouses and nurseries, poultry raising, raising of grain, grass, mint and seed crops, raising of fruits, nuts, and berries, sod farming, placing land in federal programs in return for payments in kind, owning land, at least 35 acres of which is enrolled in the conservation reserve program under 16 USCS 3831 to 3836, participating in the milk production termination program under 7 USC 1446(d), and vegetable raising.

Building - A structure having a roof supported by columns or walls, and intended for the shelter, housing or enclosure of persons, animals or chattels; each portion of a building separated by a division of walls from the ground up, without openings in those walls, is a separate building for the purpose of this chapter.

Cemented Poles - A cemented pole is considered a “permanent foundation” for requiring a building permit and plot plan when part of a building or structure. This could include small and/or domesticated animal housing.

Commercial - Done primarily for sale or profit. From the view point of business. The practice or spirit of business. To put on a business basis. To make or do for money or profit. Designed for profit.

Land - Means real estate as described in a recorded deed or other instrument in the Chippewa County Register of Deeds as being in the ownership of a specific person or persons.

Lot - A parcel of land divided from a quarter-quarter section which is less than 20 acres or less than 1/2 of a quarter-quarter section in size.

Manufactured Home - A structure certified and labeled as a manufactured home under 42 USC Sec. 5401-5426, which, when placed on the site:

- (a) Is set on an enclosed continuous foundation in accordance with Sec. 70.43(1), Wis. Stats., and COMM 21, Subchapters III, IV and V, Wis. Adm. Code, or is set on a comparable enclosed continuous foundation system approved by the Building Inspector, who may require a plan for such foundation to be certified by a registered Architect or Engineer to ensure proper support for such structure;
- (b) Is installed in accordance with the manufacturer’s instruction;
- (c) Is properly connected to utilities;
- (d) Has an area of at least nine hundred sixty (960) square feet to living space, with a minimum of twenty (20) square feet in width and is used or intended to be used exclusively as a single-family residence;
- (e) and Meets other applicable stands of this Chapter.

Minor Structures - Any small, movable accessory erection or construction, such as arbors, birdhouses, tool houses, pet-houses, play equipment, and walls and fences under four (4) feet in height.

Mobile Home - A manufactured home that is HUD certified and labeled under the National Manufactured Home Construction and Safety Standards Act of 1974 (U.S.C. Title 42, Chapter 70). A mobile home is a structure, which is, or was originally constructed, designed to be transportable in one or more sections, which in traveling mode, is eight (8) body feet or more in width or forty (40) body feet or more in length, or when erected on site, is three hundred twenty (320) or more square feet, and which is built on a permanent chassis and designed to be used as a dwelling with or without permanent foundation when connected to the required utilities, and includes the plumbing, heating, air conditioning, and electrical systems contained therein and any additions, attachments, annexes, foundations and appurtenances. The defined units are commonly known as “single wide” or “double wide” mobile homes.

Mobile Home Lot - A parcel of land for the placement of a single mobile home and the exclusive use of its occupants.

Mobile Home Park - A parcel of land which has been developed for the placement of mobile homes and is owned by an individual, a firm, trust, partnership, public or private association, or corporation and where individual lots are rented to individual mobile home users. A mobile home park is also any lot on which five (5) or more mobile homes are parked for the purpose of permanent habitation, regardless of whether or not a charge is made for such accommodation, and including any associated service, storage, recreation and other community service facilities designed to for exclusive use of park occupants.

Structure - Means any building or structure, and any installation, constructed, reconstructed or, remodeled, enlarged, erected, altered, removed, or demolished for any use within the Town, including but not limited to, one and two family dwellings, manufactured homes, mobile homes, temporary or seasonal dwellings, garages, agricultural structures, outbuildings and commercial and industrial buildings.

Utility Building - Any building, (no human dwelling) and noncommercial. It must be moveable (on skids) and size is no factor. A plot plan or building permit is not required, however these buildings must abide by the setbacks in Chapter 16.
